ACADEMIC DEGREES

- 2002-2006: École Normale Supérieure - Department of computer science
- 2004-2005: Master's degree in Computer Science: *Master Parisien de Recherche en Informatique* (MPRI). Rank: 1

RESEARCH EXPERIENCE

- Summer 2003: Training course on Model Checking (*Timed automata with input determined guards*) at Indian Institute of Science, Bangalore, India.
Host team: Dept of Computer Science and Automation (Deepak D'Souza)
- Summer 2004: Training course on Cognitive Science (*a model of saccadic circuitry using contraction theory*) at Collège de France, Paris, France.
Host team: Laboratoire de Physiologie et de Perception de l'Action (Pr. Alain Berthoz)
- Apr.-June 2005: Master thesis on *Recursion and references in game semantics* at University Paris Diderot
Host team: Proofs, Programs, Systems. (Paul-André Melliès)
- 2005 – 2008: PhD Thesis at University Paris Diderot
Host team: Proofs, Programs, Systems. (Paul-André Melliès)
Thesis subject: *Semantics of references in programming languages*

USE OF SOFTWARE

Languages: OCaml, C++, Java, Prolog, L^AT_EX, HTML, PHP
Systems: Linux, Windows

MISCELLANEOUS

Foreign languages: English (fluent), German (read,written)
Hobbies: Music, Squash
